Em-B Architectural Hardware & Access Solutions Ltd

"From our initial dealings with Frama and experiences thereafter, I have found that Em-B have been very well catered for. I am particularly happy with the Frama service team who dealt with our request for service and support very promptly and in an efficient manner that is always friendly and professional."

Mr A. Earnshaw, Finance Director

Association for the Perioperative Practice (AAPP)

*They chose Frama for:
"Excellent value for money and professional company representation which was informative and not pushy".*

Manning Stainton Estate Agents

"We found Frama through an internet search and after having 3 product demonstrations we felt that the Frama product was well presented and that the model and package on offer would be the best buy for us"
