

## How to obtain the RMail support files on Outlook

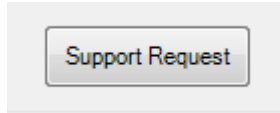

1. To get the RMail support files go to file in Outlook.

2. Then RMail options.

3. Click on support request.

4. The support files will be in your drafts folder and then can you send them to [mail@frama.co.uk](mailto:mail@frama.co.uk) and mention the issue you are having with RMail Outlook.
